KiwiSaver Scheme

Choose a KiwiSaver Scheme that gives you more options.

The NZ Funds KiwiSaver Scheme gives you a range of choices to achieve your long-term retirement savings goals.

1

More choices to grow your retirement savings.

Our KiwiSaver options help Kiwis at all stages of their savings journey. Our Balanced Fund gets people started, while our Life Cycle and Self Select options aim to deliver sustainable long-term growth.

2

Responsible investing for a better future.

Every investment decision we make is considered for its impact on society and the environment. We take this approach because it's the right thing to do. But we also believe responsible investing will enhance long-term results for our clients.

3

An intelligent investment approach for the new market realities.

We invest in a wide range of financial assets. We partner with global experts to maximise the growth of your savings. And we have a strong focus on mitigating falls when markets are going down.
