

AIA HEALTH

HEALTH INSURANCE

What is health insurance?

Having good health is invaluable. Health insurance takes care of your medical bills and provides you with faster access to medical care that suits your needs.

Why do I need it?

Our public health system and ACC do a great job of supporting people who require urgent medical attention. However, relying on the public system for conditions that are non-urgent or non-accidental can result in long waiting lists and delayed treatment. Health insurance removes the worry around unexpected medical bills so you can focus on getting the right treatment and start your recovery sooner.

Key benefits of our health insurance

- No annual limit on the amount you can claim for surgeries under the surgery benefit.
- Includes \$500,000 extensive cancer cover for every stage: from diagnosis, to treatment and recovery.
- Children can be added to the policy at any time, and during their first three months of their life there is no underwriting required.
- Access to our enhancement pass back benefit. At claim time, we'll compare your purchased product's policy wording with the latest version of that product's policy wording and apply the most favourable option for your claim. For more information visit aia.co.nz/passbacks

Our health insurance options

♥ AIA Private Health

Comprehensive cover for a wide range of medical conditions, covering costs like specialist consultations, diagnostic imaging and testing, hospitalisation and surgery at a time, location and with the medical provider of your choice.

♥ + AIA Private Health Plus

An optional benefit available with Private Health that you can use to upgrade to include additional cover for specialists and tests, reproductive health and a health screening allowance.

🎗️ AIA Cancer Care

Takes care of medical expenses associated with the diagnosis, treatment and recovery of cancer. This includes an unlimited Cancer Surgery benefit, access to specialist consultations, diagnostic tests and Pharmac and non-Pharmac Medsafe indicated cancer chemotherapy and immunotherapy drugs.

AIA HEALTH OVERVIEW

We're here for you through your health journey from diagnosis to treatment. See below for the ways we can help you with our health insurance. To see the full list of benefits available, please refer to the policy wordings on aia.co.nz/policywordings
