DUTY OF DISCLOSURE: WHAT YOU NEED TO TELL US

The purpose of this application is to prompt you to provide information we may consider relevant to the assessment of your application for insurance.

We understand that the questions we ask in this form may be sensitive and completing the form may take time, but it is very important that you give us all the information asked for, as this may affect your application for insurance.

It is important that you understand your **duty to provide truthful, complete and correct information** about yourself, including your health and medical history.

This means you should:

- Always tell the truth (including if your circumstances change after you have completed this application but before the policy is issued);
- Answer questions as fully as you can, including as much detail relating to your current and past circumstances as possible;
- Include all information, even if you're unsure it is relevant;
- Tell us if you don't know the answer to any question; and
- Ask questions if there is anything you're not sure of.

At claims time, we will look further into your personal history. If we discover that you haven't told us something material, we may either alter the terms of your policy (which might affect your claim) or we may avoid your policy from its inception which means that you would not be able to make a claim, as no policy would exist. It does not matter if the new information is about a condition unrelated to your claim.

If you are unsure of anything, don't be afraid to ask your Adviser or AIA for help. Contact your Adviser or phone us on **0800 500 108**.

Please indicate how you would like us to refer to this policy in future correspondence (eg John's Protection Plan):

Would you like this policy to be grouped with another AIA and/or related policy/policies* for correspondence purposes? ☐ YES ☐ NO

If YES, please list policy numbers

(NB: Not all policies can be grouped. Contact the Operations Team for details
* Where related policy/policies means eligible policy(s) issued for the Life to be Assured, where Sovereign Assurance Company Limited ("Sovereign"), or AIA International Limited, New Zealand Branch ("AIA International"), was the insurer.)

Is this application part of a joint policy? ☐ YES ☐ NO

If YES, please complete a separate application form for each Life to be Assured

3 Your Insurance Details

DO YOU ALREADY HAVE COVER?

It is important that you provide details of any existing cover that you may have, whether you intend to retain or replace that cover, or any new cover that you are currently applying for outside of this application. This includes any cover you have cancelled in the last six months.

WHY IS THIS IMPORTANT?

- AIA will use this information to assess your eligibility for the level of cover and benefits you are applying for.
- This helps ensure that you are only accepted for any cover that you would be eligible to claim under.
- There are risks associated with replacing existing cover that you need to be aware of as outlined below.

REPLACING EXISTING COVER

If you are intending to replace any existing cover, you should understand there are associated risks (as well as benefits) of doing so. Examples of risks related to taking out a new policy are that the new policy may contain restrictions or exclusions that your old policy didn't have or there may be initial 'stand down periods' meaning you would temporarily lose cover once you've switched.

In some cases, your ability to claim under the new AIA policy may depend on you cancelling your existing cover listed below. You should only do this once the new AIA policy has been issued.

Further details and examples of the risks can be found on the Replacement Policy Advice form attached to the back of this Application form.

Please take the time to read and understand the potential risks involved in replacing existing cover and discuss with your Adviser if you have concerns.

NOTES

10 Declaration and Consent

Application/ policy no.

Please read your duty of disclosure and declaration carefully, then complete the disclosure check boxes and sign the bottom of the next page to show your acceptance of these terms. Failure to make the following declaration truthfully may invalidate your insurance.

IMPORTANT NOTICE: Your Duty of Disclosure and Personal Information

When you apply for this insurance, and whenever you apply to vary or reinstate it, you have a duty to disclose to AIA New Zealand Limited ("AIA") all information you know (or could reasonably be expected to know) that would influence the judgment of a prudent underwriter in deciding whether or not to insure you, and if so, on what terms and at what cost. If you fail to comply with your duty of disclosure, AIA may avoid this insurance from the beginning, which means any claim will not be paid.

Please note, AIA may request a copy of your entire medical file from your General Practitioner and other medical providers.
IF IN DOUBT - DISCLOSE. WE TREAT ALL INFORMATION CONFIDENTIALLY.

THE BELOW NAMED LIFE TO BE ASSURED AND POLICY OWNER(S) DECLARE AND AGREE THAT:

Disclosure:

1. I/We have read the notice explaining my/our duty of disclosure and all the statements contained in this application for insurance ('Application') are true and complete to the best of my/our knowledge.
2. Should the Life to be Assured undergo any alteration in mental or physical health or have a change of occupation between the date of this Application and the issue of the insurance, I/we agree to notify AIA immediately as this information is relevant to any decision AIA may make to accept this Application.
3. I/We understand that statements made in this Application, including statements made by me/us to any medical examiner or made by any medical examiner on my/our behalf, forms the entire basis of the insurance contract between me/us and AIA.
4. I/We acknowledge that my/our adviser receives commission from AIA.
5. I/We acknowledge that I/we are signing on behalf of any children and declare that I/we have disclosed all health information, including any pre-existing conditions, for such children and ourselves.
6. I/We understand that irrespective of whether I/we have been insured with AIA before, that AIA will rely on the accuracy and completeness of my/our answers given in this Application and I/we must not assume AIA has any prior knowledge of my/our history.
7. I/We understand that if I/we apply or have applied to become AIA Vitality members any information I/we subsequently provide through participation in the AIA Vitality Programme will not be available to AIA for the purposes of administering or assessing any AIA policy (current or future). I/We understand that the segregation of information between the AIA Vitality Programme and AIA insurance policies requires that any information that may affect an insurance policy needs to be provided to AIA as part of any insurance application or variation to an existing insurance policy, even if it has also been provided as part of my/our participation in the AIA Vitality Programme. I/We understand that AIA does not have any prior knowledge of my/our history as a consequence of my/our AIA Vitality membership.

Underwriting:

8. I/We will be bound by the standard conditions applicable to the proposed insurance upon AIA's acceptance of this Application. I/We understand that if my/our Application requires underwriting, then special terms (including special conditions, premium loadings, exclusions or maximums) may be applied to my/our policy. I/We understand that any special terms will apply from the risk commencement date of my/our insurance. I/We understand that the special terms will be set out in the schedule to my/our policy document and will form part of my/our insurance contract. I/We will accept the special terms if I/we either make a premium payment after the policy free look period or agree to the special terms in writing.
9. I/We understand if additional information is required to process my/our Application, I/we may be telephoned by an Underwriter. The information that I/we provide to the Underwriter will form part of my/our Application.
10. I/We understand that if I/we do not consent to AIA collecting personal information on this Application and from the sources listed in clause (26) AIA may not be able to undertake a full underwriting assessment which may result in AIA declining to offer cover or offering cover on less favourable terms than I/we may otherwise be offered.
11. I/We understand that financial information may be required as part of the Illustration (quoting) process, and that any such information, if requested, will form part of my/our Application.

Replacement Policy:

12. I/We acknowledge that I/we are responsible for cancelling any existing cover listed in this Application as 'to be replaced' and that if I/we do not cancel this existing cover then AIA may terminate my/our new policy from inception and decline any claim under it.

Premiums:

13. I/We understand the insurance proposed in this Application shall not commence until this Application has been accepted by AIA and the initial premium or a completed Direct Debit Authority or premium payment direction (such as a Credit Card) has been received by AIA.
14. I/We authorise AIA to debit the nominated credit card account with the premiums payable for the insurance. AIA may debit the credit card account with an Insurance premium even where there may be insufficient clear funds in the credit card account, but AIA shall not be obliged to do so. If there are insufficient funds but AIA debits the credit card AIA may also debit the credit card account with any applicable fees and charges. If the insurance premium cannot be recovered from me/us, then AIA may reverse the insurance premium payment resulting in the premiums being treated as not having been paid and AIA may be entitled to cancel the insurance in accordance with the insurance terms relating to non-payment of premiums.
15. I/we understand that the premium relating to my/our policy may be discounted in some circumstances based on the Life to be Assured's participation in the AIA Vitality Programme. I/We understand that further information can be found in the AIA Vitality Premium Adjustment Rules available on www.aia.co.nz/vitality

Important information before you proceed

There can be risks and benefits in replacing an existing policy/benefit(s). Before you make a decision to replace your existing policies/ benefit(s) your financial adviser can help you to understand the advantages and disadvantages of switching and/or the types adverse circumstances which might occur as a result of changing policies/benefit(s).

Your financial adviser can help you consider key aspects such as:

- **Your personal situation** – changes in health, leisure activities or occupation may mean your new policy contains new or different restrictions/exclusions than your old policy/benefit(s).
- **Differences in cover** – particularly reduction or loss of benefits, any unusual features, different expiry ages/dates, waiting periods, or changes in limits/cover amounts.
- **"Stand down" periods** – a new policy/benefit can have initial "stand down periods" in which you may temporarily lose some of your cover.
- **Definitions and exclusions** – while policies may seem similar, there can be differences in the definitions and exclusions used between policies (e.g. medical conditions, employment, occupation, income, etc) which could affect your ability to claim on your policy.
- **Cost** – this should consider all costs related to the policy/benefit(s), short and long-term.
- **Financial strength ratings** – There may be differences in financial strength ratings between the old and new insurers. This is an assessment of an insurer's ability to meet obligations to policyholders.

If my/our replacement policy(cies) is subject to full underwriting by AIA, my/our financial adviser has explained that underwriting might result in Special Terms being applied to my/our replacement policy(cies).

Specific conditions relating to notices and disputes

- I may ask my bank to reverse a direct debit up to 120 calendar days after the debit if:
  - I don't receive a written notice of the amount and date of each direct debit from the initiator, or I receive a written notice but the amount or the date of debiting is different from the amount or the date specified on the notice.
  - I may ask my bank to reverse a direct debit up to 9 months after the date the initiator sent the first direct debit under the authority if I am not reasonably satisfied that the authority authorised my bank to debit my account with the amount of the direct debit.
- The initiator is required to give a written notice of the amount and date of each direct debit, including the first direct debit in a series, of no less than 2 working days. The notice is to include: the dates of the debits, and the amount of each direct debit.
- If the initiator proposes to change an amount or date of a direct debit specified in the notice, the initiator is required to give you notice no less than 10 days before the change.
- If the bank dishonours a direct debit but the initiator sends the direct debit a second time within 5 business days of the original direct debit, the initiator is not required to notify you a second time of the amount and date of the direct debit.

Banks and building societies may not accept Direct Debit Instructions for some types of accounts

GoCardless Terms and Conditions

GoCardless process Direct Debit payments on behalf of other businesses and organisations, such as the merchant that you wish to make payments to. These businesses and organisations create payments for their customers using our system and we then process these according to the parameters and instructions they have set. These terms and conditions explain how GoCardless will operate, when it collects payments from your bank account.

1 Definitions

- Unless otherwise defined in these terms and conditions (the "**GoCardless Terms**"), capitalised terms have the meaning given to them in the "Conditions of Instruction to Accept Direct Debits" ("**Bank Terms**").
- **Customer** means the person or entity identified as such on the Application, who intends to make payments to the Merchant by way of direct debit (also referred to as "you" and "your" in these Terms and Conditions).
- **Direct Debit Instruction** means the application form containing the GoCardless Terms and the Bank Terms and completed by you for the purposes of authorising payments to be made from your bank account to the Merchant by way of direct debit.
- **GoCardless** means GoCardless Limited, the payment service provider authorised by the Merchant to process direct debit payments made by you to it, on its behalf. The "Initiator" in the "Conditions of Instruction to Accept Direct Debits" above is GoCardless.
- **Merchant** means the person or entity that the Customer intends to make payments to by way of direct debit, and identified as such on the Application.

2 Direct Debit Instruction

2.1 By completing the Direct Debit Instruction, you agree to be bound by the Bank Terms in addition to the GoCardless Terms.

2.2 You acknowledge that by completing the Direct Debit Instruction, you are authorising the Merchant to debit your nominated bank account (as it appears on the Direct Debit Instruction) for the amounts and at the frequency set out in the Direct Debit Instruction. You acknowledge that GoCardless provides direct debit payment processing activities to the Merchant and as such, where GoCardless is instructed by the Merchant, GoCardless will debit your nominated bank in accordance with the instruction.

2.3 Any changes to the information provided by you on the Direct Debit Instruction must be communicated by you directly to the Merchant. You acknowledge that GoCardless will not accept any instruction directly from you to vary the Direct Debit Instruction.

3 Liability of GoCardless

3.1 GoCardless may cease providing the Merchant with direct debit payment processing services upon written notice to the Merchant in accordance with the agreement entered into by GoCardless and the Merchant for the supply of those services. In such circumstances, GoCardless will cease accepting the Merchant's instruction to debit your nominated bank account in connection with the Direct Debit Instruction. If you continue to receive goods or services from the Merchant, you must contact the Merchant directly to set up an alternative payment method.

3.2 GoCardless will not be responsible for any delay that may occur in processing a direct debit payment on the Merchant's behalf if:

3.2.1 there is a public holiday on the day or on the day after a payment is due to be made;

3.2.2 a payment is received either on a day that is not a business day or after the normal close of business on a business day;

3.2.3 GoCardless does not receive the Direct Debit Instruction in sufficient time to process the payment; or

3.2.4 the Direct Debit Instruction is not duly completed.

3.3 You acknowledge that GoCardless is not involved in the supply of any goods and/or services to you, and any disputes regarding the supply of any goods and/or services for which you have made payment for in connection with the Direct Debit Instruction are to be dealt with directly by you and the Merchant. GoCardless has no involvement in or express or implied liability in relation to any goods or services provided by the Merchant.

3.4 Nothing in the GoCardless Terms or the Bank Terms creates any relationship or liability between GoCardless and you for any purpose and any disputes regarding any payments debited from your nominated bank account should be directed to the Merchant.

4 General

4.1 If there is any inconsistency or conflict between the GoCardless Terms and the Bank Terms, the GoCardless Terms will prevail.

4.2 The GoCardless Terms are governed by the laws of New Zealand.
